U.S. DEPARTMENT OF LABOR  
Respondent

**ORDER TO SHOW CAUSE**

This case arises under the Job Training Partnership Act (JTPA) (29 U.S.C. § 1579 et seq.) and the applicable regulations issued at 20 C.F.R. Part 636.

On January 26, 1990 the Department of Labor (DOL) notified Complainant of a disallowance in the amount of **\$1,001.00** as a result of **DOL's** audit of Complainant's programs under JTPA. By letter filed June 18, 1990 Complainant requested a **hearing** on the final determination. On July 3, 1990 this office issued a Notification of Receipt of Request for Hearing and Pre-Hearing Order which required both parties to furnish information regarding this case. On August 1, 1990 Complainant filed a Notice of Intent to Participate and on August 6, 1990 DOL filed the Grant Officer's Administrative file as required. On September 13, 1990 DOL filed a Pre-Hearing Statement in this case. To date, Complainant has failed to file a pre-hearing statement as required by the Pre-Hearing Order.

The regulations issued at 29 C.F.R. **§18.6(d)(2)** provide that where a party fails to comply with an order the administrative law judge may:

(v) Rule that a pleading, or part of a pleading, or a motion or other submission by the non-complying **party**, concerning which the order or subpoena was issued, be stricken, or that a decision of the proceeding be rendered against the non-complying party, or both.

Complainant is hereby ORDERED to show cause within thirty (30) days from the date of this Order why a default judgment **should** not be entered in this case. Entry of a default judgment will result in the assessment of disallowed costs in the amount of \$1,001.00.
